

Room to Read®

World Change Starts with Educated Children®

Ever since their Mom brought their new baby brother home, Xu and Xi are not allowed to make noise. But how can they be quiet when everything around is so much fun?

Don't Wake the Baby!

Room to Read seeks to transform the lives of millions of children in developing countries by focusing on literacy and gender equality in education. Working in collaboration with local communities, partner organizations and governments, we develop literacy skills and a habit of reading among primary school children, and support girls to complete secondary school with the relevant life skills to succeed in school and beyond.
