**Look, the sun is rising.
The birds are chirping.**

Chunu says, "Brrr, how cold!"
Munu says, "Yes, it's too cold!"

**"I will wear clothes to
protect me from the
cold."**

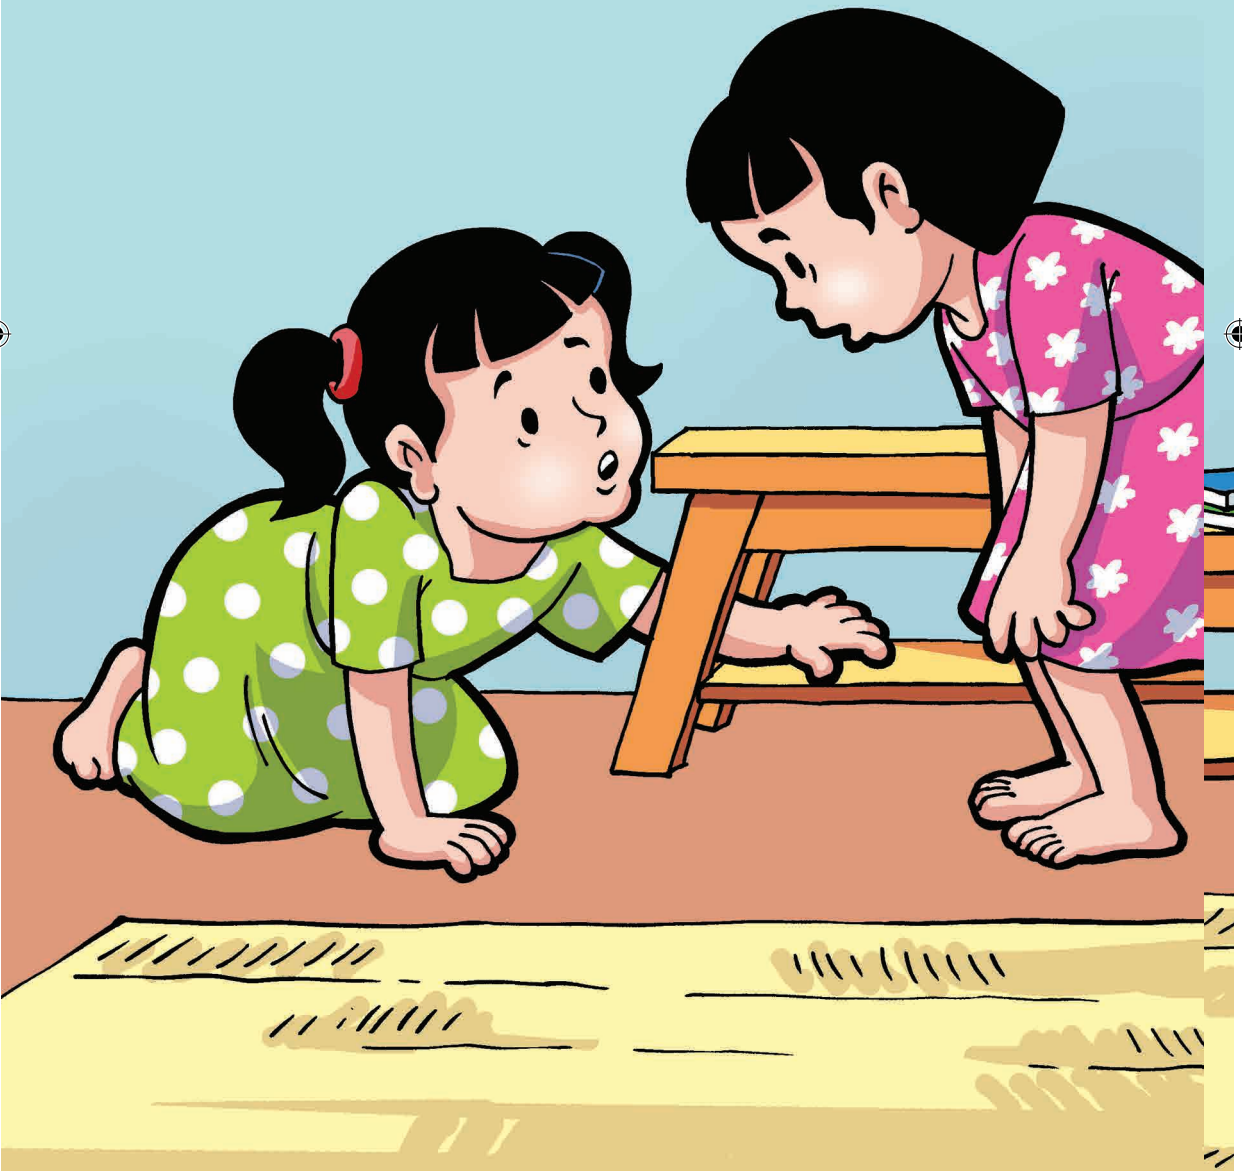

"Where's my hat?
It was here yesterday.
Where is it today?"

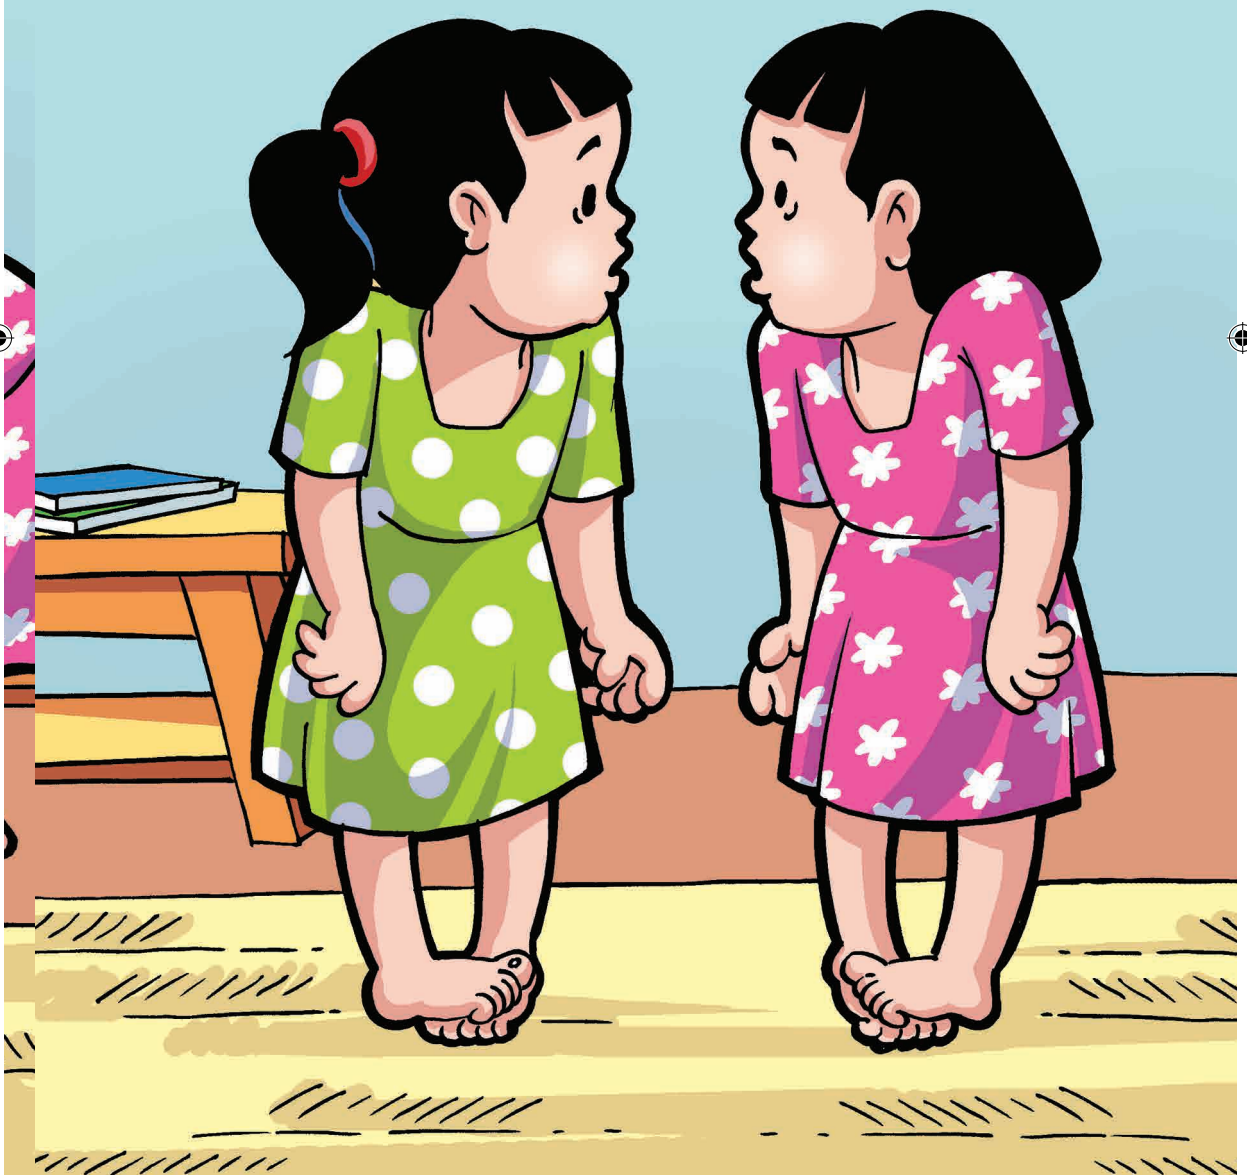

"I can't find my socks, either.
Where are my socks?"

"My feet are numb with cold."

"My feet also are numb with cold."

"Brrr, so cold!"
"It's too cold!"

**"We can't find the hat.
We can't find the socks.
We can't find anything."**

"Where are our things?"

**"Here is one of them.
Where are others?"**

**"Munu, look here.
Look into the hole.
There are my socks.
There is your hat."**

Chunu and Munu look into the hole together. Once they are wearing the socks and the hat, they play happily.
