This book is dedicated to Nicholas Kristof and Sheryl WuDunn in recognition of their book and documentary, *Half the Sky*. Thank you for mobilizing the world to take action against the oppression of women, and for showcasing the stories of inspiring women who are fighting for their rights, despite the odds. Room to Read is proud to be partnered with you in a global movement to raise awareness about the empowering and life-changing effect that educating girls and women can have in countries like Vietnam and elsewhere around the globe.

### ROOM TO READ'S MISSION

Room to Read seeks to transform the lives of millions of children in developing countries by focusing on literacy and gender equality in education. Working in collaboration with local communities, partner organizations and governments, we develop literacy skills and a habit of reading among primary school children, and support girls to complete secondary school with the relevant life skills to succeed in school and beyond.
